Total Served	108,460	112,414	118,906	122,661	129,555	134,572	134,885

(1) State Fiscal Years are from July1 - June 30.

(2) Client has been identified and pre-approved by the DMHA as requiring specialized services because of an exigent situation and the concurrent opportunity to demonstrate special models of service delivery

(3) Co-occurring data were not collected in SFY2001 and SFY2002.

Note: Estimated Direct Primary Prevention Services has been removed from totals at this time

(4) Prevention efforts also include indirect prevention services that touch the lives of many more adults and children.

Two examples include the Alcohol, Tobacco, and Other Drug Use by Indiana Children and Adolescents:

The Indiana Prevention Resource Center 2005 Prevalence Statistics surveyed over 136,782 students (grades 6-12) in 435 school corporations
